**Note:** When sending quote requests, please assist us with Actual weight and dimensions of the shipment. Charges can be based on **Actual weight** or **Volumetric weight** depending on which one is greater.

$$\text{Volume weight} = (\text{Length} \times \text{height} \times \text{width})/2000$$

**Export Documentatio**

In a case where we process export documents on behalf of a client, an amount of R500 or the equivalent of it in ZMW will be charged

**International**

We do collections on behalf of clients. Charges are based on distance covered from our warehouse to collection point

**For Quotations,** send request to
