Note: When sending quote requests, please assist us with actual weight and dimensions of the shipment. Charges can be based on **Actual weight** or **Volumetric weight** depending on which one is greater.
Volume weight = (Length x height x width)/2000

Export Documentation charges

In a case where we process export documents on behalf of a client, an amount of R600 with SADC and R500 without SADC or the equivalent of it in ZMW will be charged.

International Collection Charges

We offer collections services on behalf of clients for suppliers within Johannesburg, Pretoria. Charges are based on distance covered from our warehouse to collection point other towns are available on dedicated bases.

For Quotations, kindly send request to: quotes@icypeed.com
